Dear Friends,

What a difference a year makes! All of us at Father Champlin's Guardian Angel Society are thinking of our loyal supporters and hoping you are healthy, well, and ready for a beautiful summer of fun. Our small but mighty organization continues to do Father's work of making sure that underprivileged kids have access to quality education. Now more than ever, every child should have the opportunity to graduate from high school and have a successful future.

So many of us are wondering what we can possibly do to help during this time and what better way to help at-risk kids than by joining us for our 17th annual golf tournament on Thursday, August 5th at Radisson Greens. Proceeds from this event provide tuition assistance and support through our mentor and tutor program to local children in need.

We would love for you to come golf with us, either individually or as part of a foursome. If you can't make it or don't golf, we would be truly grateful for you to contribute with a donation or sponsorship. To date, this tournament has raised over \$200,000 and serves as one of our largest fundraisers of the year. Thank you kindly for your continued support as we work together to bring joy and hope back to the world one child at a time. We need you now more than ever!

Gratefully Yours,

Sarah J. Ioele
Executive Director
