

A LEGACY OF LOVE:

Since 1997, Father Champlin's Guardian Angel Society has been building paths to success for underprivileged students on their way to high school graduation and beyond. Supporting them along this path, our Guardian Angel scholars receive tuition assistance and, when needed, mentoring and tutoring support.

The Guardian Angel Society remains committed to providing wings for education to students in need who attend Cathedral Academy at Pompei (CAP) elementary school and continue to either Bishop Grimes Junior/Senior High School, Bishop Ludden Junior/Senior High School, or Christian Brothers Academy.

WORDS OF APPRECIATION FROM OUR SCHOLARS:

"As a low-income and first generation student, the tuition cost of a Catholic education was daunting, but at sixth grade at Cathedral Academy at Pompei, where I received notification of my Guardian Angel scholarship, I had faith that attending CBA was possible."

Jennifer Tran-CBA Senior 2013

"They offer mentors, which helped my younger sister a lot in CAP. She needed help comprehending the lessons taught during elementary school. Still, with the extra help from one of the Guardian Angel Society's mentors, she improved significantly and went to a good school with a scholarship!"

Leyna Nguyen-Bishop Ludden '24

"The Society's Speaker Series has recently opened my eyes to different types of career paths, and I could not be more appreciative of the chance to learn more from community leaders."

Sylvester Seton-Bishop Grimes '22

SUCCESS!**

MENTOR & TUTOR PROGRAM

Helping Father's kids reach Destination Graduation!

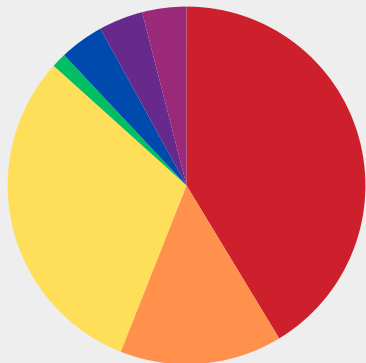

OUR GUARDIAN ANGEL SCHOLARS:

The Guardian Angel Society scholars awarded tuition support represent a diverse population that attends Cathedral Academy at Pompei, Bishop Grimes, Bishop Ludden, and CBA. Some students will only succeed in junior high school with literacy and math support. This involvement with our mentors and tutors will enable our students to graduate from high school on time. Our motto is "Destination Graduation."

SCHOLAR DEMOGRAPHICS:

- African American (41.3%)
- Sudanese (14.7%)
- Asian (30.7%)
- Caucasian (1.3%)
- Multi-Racial (4%)
- Hispanic (4%)
- Haitian (4%)

THE MENTOR/ TUTOR DIFFERENCE:

The Guardian Angel Society's Mentor & Tutor Program was implemented to ensure each scholar successfully graduates from high school. Participating scholars boast increased grades in many academic areas and enjoy the enrichment from the relationships built between them and their volunteer mentors.

SPEAKER SERIES:

In 2018, the Society introduced a monthly speaker series to our mentor/tutor program. Each month, we welcome a different speaker to share their personal success stories and information about their profession, allowing scholars to learn about different career paths.

With the help of volunteers, this program is still going strong today. It is a vital part of our student's development. If you want to tell your professional story, our students would love to hear from you!

HOW TO GET STARTED:

- 1.) Scan the QR code below to fill out our Mentor/Tutor Application
- 2.) Our Development and Program Coordinator will talk to you about your experience, skill set, availability, and how you want to help.
- 3.) Register and complete our Safe Environment course.
- 4.) Be matched with a student.
- 5.) Start making a difference!

Our students have various needs. This can range from time management skills and general mentoring to Regents Exam preparation. They need a helping hand and sometimes a listening ear to continue to thrive. We hope this experience will mean as much to you as it will to our students.
